That same year Gordon Phillips Schools of Beauty Culture was acquired, giving Empire Beauty School an expanded presence on the East Coast with additional schools in Pennsylvania, Maryland, and Southern New Jersey.

Over the next 10 years, Empire Beauty School expanded through acquisitions, partnerships, and new location development. Today there are Empire Beauty Schools in 21 states.

All of Empire Beauty Schools have tastefully decorated interiors, spacious classrooms, and modern equipment. The Student Salon area of each facility is designed so that students acquire practical experience through servicing guests with a complete menu of hair, skin, and nail services. All services are performed by senior-level supervised students.

Each school houses a library of continuing education aids, which include copies of textbooks, periodicals, DVD's, and other reference materials that support the education process. ## START DATES & SCHEDULES

End Dates are based on 100% of the scheduled program length, including holidays and scheduled school closings and assuming a student either maintains a 100% rate of attendance, or a minimum of 80% rate of attendance and makeup all missed time during their enrollment period. Based on a 35 hour schedule, incorporating anticipated days that the school would be closed for holidays and scheduled special events, the number of weeks required for a student to complete the cosmetology program is approximately 45 weeks. On a 17.5 hour schedule the number of weeks required is approximately 90 weeks. For students who are unable to make up missed time during their regular scheduled enrollment period, the school will schedule additional days for the student to make up hours required for state licensing purposes at the end of their enrollment period during which the student may make up time missed by attending their regular schedule plus the normal available make up hours provided they have achieved a minimum of 80% attendance during that period and they can expect to complete all required hours with a cumulative minimum of 80% attendance.

### NORMAL TIME TO COMPLETE

Students should have a reasonable expectation of the time it should take to complete a program in order to plan and budget accordingly. Program lengths for full time and part time schedules are stated in weeks and include estimated days the school is closed for holidays, educator training, special events, inclement weather and a limited number of days scheduled to allow students to make up missed work as necessary for state licensing purposes. When calculating and disclosing normal time to complete and On Time Completion Rates, the number of days scheduled to make up work is limited to 10% of scheduled hours. For example, if a student is scheduled to attend class 7 hours per day and is enrolled in a 1500 hour program, the number of days scheduled to make up work would be determined by dividing 150 (10% of the hours in the program) by 7 (number of hours scheduled per day), or 22 days. Students are permitted to make up additional work in order to graduate, as long as they do not exceed the maximum time frame as described in the school's satisfactory progress policy, but they would not be counted as graduating within normal time for purposes of the calculation and disclosure of On Time Completion Rates in Addendum B to the catalog.

### NORMAL TIME TO COMPLETE:

Day Program: 50 Weeks

Evening Program: 99 Weeks

## FINANCIAL ASSISTANCE

There are three types of federal Student aid, known as Title IV Funding, available to Students who qualify:

### 1.) FEDERAL PELL GRANT (PELL)

Pell grants are awarded by the Department of Education to undergraduate students with financial need to help pay for college. The Pell Grant, unlike loans, does not need to be repaid (unless, for example, you withdraw from school and owe a refund). The amount of the Pell grant could change yearly and depends on your Expected Family Contribution (EFC), the cost of attendance, your status of full-time or part-time, and whether you attend for a full academic year or less.

### 2.) FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG) & EMPIRE BEAUTY SCHOOL FSEOG MATCH

These types of grants are awarded to undergraduate Students with exceptional financial need – those with the lowest Expected Family Contribution (EFC). The amount of the award will be determined by the school's Financial Assistance Office.

### 3.) WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

Student loans, unlike grants, are borrowed funds that must be repaid with interest. Loans made through this program are referred to as Direct Loans. Eligible Students and parents borrow directly from the U.S. Department of Education.

**There are three types of loans in the program:**

- **Subsidized Stafford Loan** – A Student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department of Education pays the interest while you're in school at least half-time and during the grace period. The amount of the loan cannot exceed a Student's financial need or the annual loan limit. The fixed interest rate for 2024-2025 is 6.53%.
- **Unsubsidized Stafford Loan** – A Student can borrow this type of loan up to the annual loan limit to cover some or all of their school expenses. The U.S. Department of Education does not pay interest on unsubsidized loans. The Student is responsible for paying the interest that accrues on the loan from the time the loan is disbursed until it's paid in full.  
The fixed interest rate of 6.53% can be paid while attending school, during a period of deferment or forbearance, or it can be accrued and the interest added to the principle amount of the loan.
- **PLUS Loans** – Parents of dependent Students can borrow from the PLUS Loan program. The terms and conditions of this type of loan include a requirement that the applicant has a favorable credit history, a repayment period that begins on the date of the last disbursement of the loan, and a fixed interest rate of 9.08%.

## OTHER FINANCIAL ASSISTANCE

Students who complete the full Cosmetology program without interruption with at least a 90% cumulative attendance percentage will be awarded a \$1000 scholarship. Scholarships will be posted to the student ledger card to reduce the amount owed to the school. If the posting of the scholarship results in a credit balance, the student will be issued a refund. Students who withdraw or are dropped from the program and/or school will not be eligible for this scholarship.

### VETERANS EDUCATION BENEFITS

Some Empire Beauty Schools are approved for veteran's educational benefits for veterans, eligible dependents of deceased or disabled veterans, and active status National Guard and Reserve personnel. Any Student interested in this type of benefit must verify with the school representative that the school is approved by the State Approving Agency for Veterans' Educational Benefits.

**Eligibility:** Students who are eligible for VA benefits must provide the following in order to have their enrollment certified with VA and/or have their VA Educational Benefits included in their Financial Aid Package.

- Student's VA Certificate of Eligibility letter or equivalent
- Prior Training Acknowledgement & Request to Use VA Benefits Form – completed and signed

**Delay of VA Disbursement to School:** Due to a delay in disbursement funding from VA under Chapter 31 or 33,

- Empire Beauty School will:
  - Permit a VA eligible student to attend classes without a payment beginning on the date on which the student provides a VA Certificate of Eligibility (or equivalent) to Empire Beauty School and ending on the earlier of the following dates:
    - The date on which VA provides payment to Empire Beauty School for the course
    - The date that is 90 days after the date in which Empire Beauty School certifies the tuition and fees with VA.
- Empire Beauty School will not:
  - Impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities
  - Require a VA Eligible student to borrow additional funds because of the student's inability to meet their financial obligations to the school

If the student's financial obligation to the school is more than the expected VA funding, the expected Title IV funding, and any other expected funding, the gap balance will be broken up into monthly payments that the student will be required to pay to the school beginning 90 days after the start date.

**Attendance:** Any student eligible to receive VA benefits must attend every scheduled hour. Veteran's benefits cannot be extended beyond the total scheduled hours for the program. Any student who attends less than their scheduled hours may lose their entitlement.

The school is approved by the Maryland State Approving Agency to offer training to veterans and other eligible dependents under the VA educational benefit programs. The Cosmetology program is approved for VA educational benefits.

- The school will obtain written records on a VA beneficiary's previous education and experience, complete a documented evaluation, grant credit where appropriate, advise the VA claimant and the Department of Veterans Affairs accordingly, and maintain records.

- The school will notify the VA of any change in the enrollment status of students certified to receive veterans' education benefits. This includes when the student changes schedules or terminates training.

- All refunds due to students who receive veterans' education benefits will be paid within 40 days of the last date of attendance.

- The school maintains permanent grade records. Final grades are posted every 3 weeks for full-time students and every 6 weeks for part-time students.

**NOTE:** In order for a Student to continue financial assistance eligibility (including Veterans Educational Benefits), a Student must not be in unsatisfactory progress. (Refer to the Satisfactory Academic Progress Policy). Any Student not maintaining satisfactory academic progress will be ineligible to receive future disbursements of financial assistance. In order for the Student to have financial assistance reinstated, the Student's financial assistance and Empire Beauty School account, along with the maximum time frame, will be evaluated to determine the Student's ability to complete the program within the recommended scheduled allotments. When the Student has met both the academic and attendance requirements, the Student will be removed from the Unsatisfactory Progress status and financial assistance eligibility will be reinstated for the remaining period of time in the program. A Student must complete the program of study in a period of time not to exceed those outlined in the schedules on page 11 or maximum time frame. School holidays will not be considered in the calculation of cumulative attendance. Course incompletes and noncredit remedial courses have no effect on satisfactory progress standards.

Institutions that enter into an agreement with a potential Student, an enrolled Student, or parent of a Student regarding a Title IV Loan are required to inform the Student or parent that the loan will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders, and institutions determined to be authorized users of the data system.

## SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)\* FOR FEDERAL TITLE IV PURPOSES

Satisfactory Academic Progress (SAP) is required for all enrolled Students. All students are provided with access to the catalog and SAP policy prior to enrollment.

### REQUIREMENTS

In order to meet SAP, Students must meet the following:

**Academic Requirement** – 80% Cumulative Grade Average || **Attendance Requirement** – 80% Cumulative Attendance Average

School holidays are not considered in the calculation of cumulative attendance. Course incompletes and noncredit remedial courses are not applicable and have no effect on SAP standards. Clock hours or credits accepted from another institution toward the Student's educational program are counted as attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on contracted hours.

Students meeting the minimum requirement at any evaluation are considered to be making SAP until the next scheduled evaluation.

***Students who do not meet academic requirements or attendance requirements as of the evaluation will lose eligibility for financial aid from Title IV program funds, and must file an appeal or be terminated from the program.***

### GRADING PROCEDURE

Students receive a number of theory and practical assessments during each module. Evaluation, feedback and grades are given to the Student for each assessment. Work is graded using the following grading scale:

**A – 94-100 || B – 89-93 || C – 80-88 || D – 75-79 || F – 74 and below**

In case of a failure (F - 74 and below), the Student will have the option to retake the assessment up to two times. The first passing grade will be recorded. The Enrichments are evaluated on a Pass or No Pass basis. The Enrichments are evaluated on a Pass or Not Passed basis. Satisfactory completion is needed in the following areas: General Safety and Technical Skills

### EVALUATIONS

SAP is evaluated at the end of each payment period based on scheduled hours.

An academic year consists of 900 clock hours over a period of not less than 26 weeks. All evaluations will be completed within seven (7) school business days following each established evaluation period.

**A.** For programs with a total length that is one academic year or less, the program is divided into two equal evaluation periods wherein the first evaluation period is the period in which the student reaches both (1) half of the scheduled clock hours and (2) half of the academic weeks while the second evaluation period is the period in which the student reaches the full scheduled hours and academic weeks of the program.

**B.** For programs with a total length that exceeds one academic year, each full academic year is divided into two equal evaluation periods in accordance with subsection (A) above and the remainder of the program is either:

1. Treated as a single evaluation period if the remainder is less than or equal to half of an academic year; or

2. Divided into two equal evaluation periods wherein the first evaluation period is the period in which the student reaches both (1) half of the scheduled clock hours and (2) half of the academic weeks while the second evaluation period is the period in which the student reaches the full scheduled hours and academic weeks of the program.

<b>Cosmetology 1500 hours</b>	<b>HOURS</b>	<b>FULL-TIME WEEKS</b>	<b>PART-TIME WEEKS</b>
Payment Period 1	450	13	26
Payment Period 2	900	26	52
Payment Period 3	1200	35	69
Payment Period 4	1500	43	86

Students will be provided written notice of their SAP standing at the time of evaluation. Copies of evaluations and appeal results will be kept in the Student's file. Students that take a leave of absence (LOA) due to pregnancy and related conditions, withdraw and re-enroll will return under the same SAP status as when they left, regardless of how long they have been out. For Students that re-enroll more than 180 days after their last date of attendance, evaluation periods will be determined based on the new contracted hours. To be considered making SAP or to re-establish SAP the Student must meet both the cumulative Academic and Attendance requirements of 80%. If there is any additional information like a grade change or attendance correction that may have an impact on SAP, the institution will recheck SAP using the new information.

**At the time of evaluation a Student will be in one of three statuses:**

- 1. Satisfactory** – Requires no action by Student or school. Maintains status until next evaluation.
- 2. Warning** – Not meeting Satisfactory Academic Progress Standards. Requires no action by the Student, aid eligibility is retained until next evaluation.
- 3. Unsatisfactory** – Student has the right to appeal but must do so in writing. If appeal is granted Student will be put on Probation until next evaluation period and is eligible for aid. If appeal is denied or Student does not file a written appeal Student shall be terminated.

## WARNING AND UNSATISFACTORY STATUS

Students who fail to meet SAP at the end of a payment period are automatically placed on Warning Status.

Students may continue to receive Title IV assistance for one payment period while on Warning status. If the Student does not achieve SAP by the end of the Warning Status, the Student will be placed on Unsatisfactory Status, and eligibility, if applicable for Title IV program funds, will cease.

A Student has the right to appeal an Unsatisfactory Status. Providing that the following conditions are met, a Student may be placed on probation and allowed to receive Title IV funds for the subsequent payment period:

- a. Any Student seeking an appeal must do so in writing. Students that do not appeal shall be terminated.
- b. The institution must determine that the Student should be able to meet the institution's SAP requirements at the end of that payment period.
- c. The Student must have a basis to file an appeal. Acceptable reasons might include the death of a relative, an injury or illness of the Student, or other special circumstances. The Student must document what caused the failure to meet the standards and must also explain what has changed in their situation that will allow them to demonstrate SAP at the end of the next payment period. The Student must submit all information relating to the appeal in writing within 10 school business days of being notified of being put on Unsatisfactory Status. If the appeal is granted, the Student will remain eligible for Title IV funds during the Probation period.
- d. If the Student meets the SAP requirements at the end of the probation period, the Student will be removed from probation and will be considered making SAP. If the Student does not meet SAP requirements by the end of the probation period, they will be considered not making SAP and where applicable will lose eligibility for Title IV. The Student shall also be terminated from the program.

A Student seeking reinstatement after termination caused by not meeting SAP or official interruption must first meet with the School Executive Director. The Executive Director will determine if the Student is eligible to re-enroll. If a Student applies for reinstatement, he/she must document the ability to successfully complete the program and certify that the causes of previous difficulties have been rectified. Students who ceased attendance while not making SAP will return as not making SAP. They will be allowed to continue their education but where applicable, are not eligible for Title IV program funds unless they are able to re-establish SAP during a specified period of time.

## MAXIMUM TIME FRAME

Maximum time frame for Students is 125% of the Enrollment Period. If, due to attendance or academic problems, a Student must attend additional Program hours beyond the 125% Maximum Program Length in order to complete the Program, the Student's enrollment status as an active student will be terminated. A leave of absence extends the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

### RECORD RETENTION POLICY

Records of Progress, which include grades and attendance, are kept by Empire Beauty School on all students. A record of daily attendance and academic achievement is also recorded on an individual student Permanent Record, which is maintained as long as the school exists. Student records shall be maintained after a student either terminates training or graduates. The School will maintain adequate permanent student records which will include:

- Evidence of compliance with the school's admissions requirements
- Credit granted for previous experience or training
- Dates of admission start dates and withdrawal or completion dates
- Reasons for withdrawals, when known
- Daily attendance
- Tuition and financial aid records, when applicable

### WITHDRAWAL POLICY

A Student will be considered as withdrawn when one of the following occurs:

1. The Student officially notifies Executive Director, of his/her intent to withdraw.
2. A formal termination (unofficial withdraw) by the Student shall occur not more than 14 consecutive calendar days from the last day of physical attendance.
3. The School officially notifies the Student of dismissal from the program.

4. A student on an approved leave of absence due to pregnancy and related conditions notifies the school that they will not be returning or they do not return on their scheduled return date.

### **POLICY RETURN OF TITLE IV FUNDS/REFUND POLICY/ BUYERS RIGHT TO CANCEL:**

1. If (i) Student is not accepted for admission to the selected Program as specified in this Agreement; or (ii) Student (or the Student's parent or guardian if Student is under the legal age to enter into this Agreement) provides written or verbal notification canceling Student's enrollment within seven (7) calendar days after Student executes this Agreement, the School will provide Student with a full refund of all monies paid, including any Registration fee paid as indicated in the Tuition and Fee Description. This policy applies regardless of whether Student starts actual class attendance during such seven (7) calendar day period. The postmark on the written notification will determine the cancellation date, or the date said information is hand or verbally delivered to the School's administrator/supervisor.
2. If Student (or Student's parent or guardian if Student is under the legal age to enter into this Agreement) provides written or verbal notification canceling Student's enrollment more than seven (7) calendar days after Student signs this Agreement, but before Student starts actual class attendance, the School will provide Student with a full refund of all monies paid (including the tuition fees) less the \$100.00 Registration Fee.
3. If Student enrolls with the School and starts actual class attendance and Student either withdraws from the selected Program or the School dismisses student from the selected Program for a violation of the School's Rules and Regulations, this may result in a reduction of Federal Student Financial Aid ("Title IV Funds") eligibility.
4. Return of Title IV Funds and Refund Policy. The law specifies how Empire Beauty School must determine the amount of Title IV Program Funds that you can earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Stafford Loans, Plus Loans and Federal Supplemental Educational Opportunity Grants (FSEOG).

When you withdraw during a payment period, if the amount of Title IV program funds that you have earned up to that point is received on your behalf less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the School must return the excess funds. Your date of withdrawal or termination is the last date of physical attendance. The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period, you earned 30% of assistance that you were originally scheduled to receive. Once you have completed more than 60% of the payment period, you earn all the assistance that you were scheduled to receive.

If you did not receive all the funds that you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, you may choose to decline the loan funds so that you do not incur additional debt. Empire

Beauty School may automatically use all or a portion of your post-withdrawal disbursement (including loan funds, if you accept them) for tuition and fees charges. It is in your best interest to allow the School to keep the funds in order to reduce your debt to the School.

Because of other eligibility requirements, there are some Title IV program funds that you were scheduled to receive that you cannot earn once you withdraw. For example, if you are a first-time, first-year undergraduate Student and you have not completed the first 30 days of your program before you withdraw, you may not earn any Direct Stafford Loan Funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return the portion of excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

The School must return this amount even if it didn't keep this amount of your Title IV program funds

If the School is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time

Any amount of unearned grant funds that you must return is called an overpayment. The amount of a grant overpayment that you must repay is half of the unearned amount. You must make arrangements with your school or the Department of Education to return the unearned grant funds. The requirement for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the School to cover unpaid institutional charges. Empire Beauty School may also charge you for any Title IV program funds that the School was required to return.

Empire Beauty School's refund policy is also printed on your Enrollment Agreement. Also printed in this catalog are the requirements and procedures for officially withdrawing from school. If you have any questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID. The center accepts calls from 8 a.m. to midnight (EST), seven days a week. TTY users may call 1-800-730-8913. Information is also available on the U.S. Department of Education's "Financial Aid for Students Home Page" at [www.studentaid.ed.gov](http://www.studentaid.ed.gov).

The following refund policy is for all Students, excluding persons enrolled under provision of Title 38, United States Code (Veterans). For Students who are eligible for veteran's educational benefits – Per 38 CFR 21.4254(c)(13) and 4255, the pro-rata policy will be applied to the entire period of time unless the school's refund policy is more favorable to the student.

5. The following is the State Refund Policy: If the school closes or discontinues a course or program, the school shall refund to

each currently enrolled student monies paid by the student for tuition and fees and monies for which the student is liable for tuition and fees. All fees paid by a student shall be refunded if the student chooses not to enroll in or to withdraw from a school within 7 calendar days after having signed a contract. [This involves all fees paid to the school by the student or on behalf of the student. ]. If the student chooses not to enroll after the 7-day cancellation period but before the first day of instruction, the school may retain the application fee or registration fee, or both. If, after the 7-day cancellation period expires, a student withdraws after instruction begins, refund shall be based on the total contract price for the course or program and shall include all fees, except the application, registration or enrollment fee and any charges for materials, supplies, or books which have been purchased by, and are the property of, the student. The minimum refund that a school shall pay a student who withdraws or is terminated after the 7-day cancellation period has expired and after instruction has begun, is as follows:

PROPORTION OF TOTAL COURSE OR PROGRAM TAUGHT BY DATE OF WITHDRAWAL	TUITION REFUND
Less than 10%	90% refund
10% up to but not including 20%	80% refund
20% up to but not including 30%	60% refund
30% up to but not including 40%	40% refund
40% up to 50%	20% refund
More than 50%	No refund

The date of withdrawal or termination is the last date of attendance by the student. A refund due a student shall be based on the date of withdrawal or termination and paid within 30 days from the date of withdrawal or termination.

**6. "Enrollment Time"** means the amount of actual hours completed between the Student's actual first day of attendance in the Program and the date Student last actually attended class. "Total Time" means the total hours of instruction for the Program in which the student is enrolled. Once the investigation is complete and if the suspected party has been found to be in violation of the policy they will be terminated from the program. Future enrollments at any Empire Beauty School location will not be approved.

### **EQUAL OPPORTUNITY, HARASSMENT AND NONDISCRIMINATION POLICY**

Empire Beauty School has developed an "Equal Opportunity, Harassment and Nondiscrimination Policy" that is available by visiting <https://www.empire.edu/consumer-information/titleix>. This Policy is provided to students at the time of enrollment. The Policy provides information on how an individual can bring any violations of the Policy to Empire Beauty School's attention. It also includes guidelines for the investigation of complaints and enforcement of the Policy. Please address any questions regarding the Policy to the Title IX Coordinator - [titleix@empire.edu](mailto:titleix@empire.edu).

### **NONDISCRIMINATION STATEMENT**

Empire Beauty School prohibits discrimination based on sex (including pregnancy, childbirth, and related conditions), race, religion, color, ethnic origin, national origin, veteran or military status, physical or mental disability, age, predisposing genetic characteristics, sexual orientation, gender identity, or any other characteristic protected by federal, state, or local law. The full text of Empire Beauty School's Equal Opportunity, Harassment and Nondiscrimination Policy is available by visiting <https://www.empire.edu/consumer-information/titleix>. Questions regarding non-discrimination policies can be referred to your school's Title IX Coordinator or via email at [titleix@empire.edu](mailto:titleix@empire.edu).

### **TITLE IX OF THE EDUCATION AMENDMENTS OF 1972**

Empire Beauty School is committed to providing a safe educational environment which is free of violence, harassment and discrimination. Therefore, in accordance with Title IX of the Education Amendments of 1972 and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), along with its amendments made pursuant to the Violence Against Women Reauthorization Act of 2013 (VAWA), Empire Beauty School has adopted strict policies regarding these matters. Students should refer to the Campus Safety and Annual Security Report provided during the admission process for detailed information. Additional copies can be obtained from the Executive Director or when updated Reports are distributed annually.

### **PREGNANCY AND RELATED CONDITIONS POLICY**

Empire Beauty School has developed a "Pregnancy and Related Conditions Policy" prohibiting discrimination in its education program or activity on the basis of current, potential or past pregnancy or related conditions as mandated by Title IX of the Education Amendments of 1972 (Title IX). This policy and its pregnancy-related protections apply to all pregnant persons, regardless of gender identity or expression.

The full policy is available by visiting <https://www.empire.edu/consumer-information/titleix>. Students who are pregnant or are experiencing related conditions may contact the Title IX Coordinator by emailing [TitleIX@empire.edu](mailto:TitleIX@empire.edu) to request a Reasonable Modification based on their individual needs. Students may also contact the Title IX Coordinator to initiate a Leave of Absence (LOA) Due to Pregnancy and Related Conditions. Please refer to the Leave of Absence (LOA) Policy Due to Pregnancy and Related Conditions for additional details.

### **LEAVE OF ABSENCE POLICY DUE TO PREGNANCY AND RELATED CONDITIONS**

A leave of absence (LOA) is a temporary interruption in a student's program of study that is deemed medically necessary by a Student's healthcare provider because of pregnancy and/or the birth, adoption, or placement of a child. In order to be placed on a leave of absence, the student must:

1. Complete and sign the school's Leave of Absence Due to Pregnancy and Related Conditions Request Form in advance, unless unforeseen circumstances prevent the student from doing so\*
2. Must state the reason for the leave of absence (LOA) request
3. Be approved by the Title IX Coordinator or designee

LOA requests can be approved for a minimum of five (5) consecutive calendar days and may not exceed 180 calendar days in a 12-month period. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the LOA. The student is expected to return to school on the next school day following the end of the LOA. An Addendum to the Enrollment Agreement will be completed upon return from the LOA to extend the contract end date by the applicable number of days and must be signed and dated by all parties.

Failure to be approved for an LOA or to return from LOA will result in the termination of the student's enrollment agreement. The student will be responsible for any remaining balance after the refund calculation is completed. The withdrawal date for the purpose of calculating a refund is always the student's last date of attendance.

In order to grant an LOA, there must be the expectation that the student will be returning to school. A student that is granted an LOA that meets these criteria is not considered to have withdrawn and no refund calculation is required at that time.

There will be no additional charges for an LOA. For federal aid recipients, the student's payment period is suspended during the LOA and no federal student aid monies can be disbursed during the LOA. Upon the student's return, the student will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been completed. If the student is a Title IV loan recipient, the student will be informed of the effects that the student's failure to return from a leave may have on the student's loan repayment terms, including the expiration of the student's grace period.

\*In special circumstances, the school may grant a leave of absence to a student in the case of medical emergency that would prevent the student from requesting the leave of absence prior to the incident occurring. In these cases, the school will collect the request from the student at a later date and document the reason for granting the LOA after the incident occurred. The beginning date of the LOA will be based on the first date it has been determined that the student cannot participate in class due to the circumstances listed above.

### **FAMILY EDUCATION RIGHT TO PRIVACY ACT POLICY (FERPA)**

In accordance with the Family Education Rights and Privacy Act, it is the policy of Empire Beauty School (the "School") to maintain confidentiality of information entrusted to it by eligible Students, Prospective Students or Parent / Guardian(s) of a dependent minor child. Therefore, prior to release of information a "Student Authorization to Release Educational Records" form must be filled out by the eligible Student for every request of Student information to a third party. Information is released only on the condition that the party to whom the information is disclosed will not disclose the information to any other party without the prior consent of the eligible Student or Parent/ Guardian. A "Student Authorization to Release Educational Records" form is not required for Students, Prospective Students, or Guardian(s) of dependent minor Students wishing to review their own records or for legal or accreditation purposes.

School staff members and administrators who the School deems to have a "legitimate educational interest" have access to Students' information as required to perform duties that are specific to their position. Section 99.37 of FERPA permits the School to disclose, upon request, directory information without the Student's consent unless the Student has otherwise directed the School in writing. Directory information may include Student's name, address, telephone number, date and place of birth, field of study, dates of attendance (meaning a period of time during which a Student attended and not specific daily records of a Student's attendance) and degrees/awards received. FERPA also permits release of personally identifiable, non- directory information in connection with a health or safety emergency that presents imminent danger. In this situation, the School will make the determination to release information based on the totality of the circumstances pertaining to a threat to the health or safety of a Student or other individuals. If the School determines that there is an articulable and significant threat to the health or safety of a Student or other individuals, the School will disclose information to any person whose knowledge of the information is necessary to protect the health or safety of the Student or other individuals. Student or parent/ guardian complaints regarding alleged FERPA violations can be filed in writing with the U.S Department of Education's Family Policy Compliance Office.

A Student or parent/guardian of dependent minor Students may review the Student's record by contacting the Executive Director to make an appointment. The Executive Director will be present during the review to provide supervision and interpretation. A Student shall be permitted to review his/her record on file with the School within seven (7) days after the School has received the Student's written request to review his/her records in accordance with the manner set forth in this Catalog or any Supplement to this Catalog. An eligible Student or parent /guardian of a dependent minor Student may seek to amend education records that the Student or parent/guardian believes to be inaccurate, misleading, or otherwise in violation of the Student's privacy rights.

The School will make a determination on the Student's request for amendment within 30 days of the request. If the School agrees that the information is inaccurate, misleading or otherwise in violation of the privacy rights of the Student, the School will amend the record accordingly and inform the parent or eligible Student in writing that the record was amended. If the School decides not to amend the record, the Student has a right to a hearing within 30 days of the denial. The School will notify the parent/guardian of dependent minor or eligible Student of the time, date and place of the hearing. The decision of the hearing will be sent to the parent or eligible Student in writing and will be based solely on the evidence presented in the hearing. If the decision not to amend the record is determined, the parent or eligible Student has the right to place a statement in the Student's file contesting the information in the record.

### Jack F. Tolbert Memorial Student Grant Program 2012-2013 Information Sheet

---

Maryland Higher Education Commission  
Office of Student Financial Assistance  
6 N. Liberty Street, Ground Sulte  
Baltimore, MD 21201  
Carl C. Brooks—(410) 767-3245

TTY for the Deaf - (800) 735-2258

**Program:** The Jack F. Tolbert Memorial Student Grant Program provides financial assistance to full-time students, who are Maryland residents and attend approved private career schools in Maryland. This grant honors the memory of Jack F. Tolbert who was a respected leader in the private career school industry in Maryland and was also a school owner. The Maryland Office of Student Financial Assistance (OSFA) works in partnership with private career schools to identify recipients to receive this grant. This award is competitive and given out on the basis of the financial need. Not all students who apply, and who are eligible, will be given an award due to program funding limitations.

**Grant Amount:** The grant is **\$500 per year** and may be renewed for one additional academic year. This grant may be used for **tuition only**.

**Student Eligibility:** In order for a student to be eligible for a Tolbert Grant, the student must be:

- enrolled in a private career school that is approved by the Maryland Higher Education Commission and is eligible to participate in this program;
- enrolled full-time (at least 18 hours a week) in a program of 100 hours or more;
- a Maryland resident;
- a US citizen or eligible non-citizen; and,
- Pledge to remain drug free during the term of the award.

### Application Process:

1. Interested students must obtain from the school a Tolbert Grant application and file a Free Application for Federal Student Aid (FAFSA). The FAFSA is a federal document used to collect student financial data, at no charge to the applicant. Students may file a FAFSA electronically by going to [www.fafsa.ed.gov](http://www.fafsa.ed.gov). After submitting the FAFSA to the federal processor, the student will receive a Student Aid Report (SAR) either via email or regular mail. The Tolbert Grant Program is **not** a federal program.
2. The completed Tolbert Grant application and SAR should be given to the Tolbert contact person at the student's school.

**Selection of Grant Recipients:** The school will rank and select the candidates based on the student's Expected Family Contribution (EFC). This is information that is reported on the SAR. Selection of candidates will be made by the head of the school, a designated individual, or by the school's selection committee. Students with the lowest EFC will be given first priority. The number of candidates that the school can select is determined by the enrollment of the school.

**Deadlines:** The school will announce and publish deadlines.

**Payment:** When OSFA has processed the candidates' information, OSFA then will distribute the funds directly to the school. The school will distribute the funds to the students' accounts within five business days after receiving the funds.
