The mission of Empire Beauty School is to provide quality cosmetology career-oriented higher education to a diverse student population. In addition, we incorporate both professional and personal development into our programs to help our students achieve a lifetime of success.

IN HARMONY WITH ITS MISSION, EMPIRE BEAUTY SCHOOL HAS ESTABLISHED THE FOLLOWING GOALS:

- To offer students real-life based programs developed by faculty and staff through regular assessment and consultation with other educators, industry leaders, and potential employers of our students
- To offer day and evening scheduling options to accommodate the distinctive needs of both traditional and nontraditional students
- To assist students in realizing their potential by establishing basic skills assessment and developmental evaluation
- To provide student services that contribute to students' success and achievement
- To provide career development strategies and employment assistance to facilitate students' successful transition to their careers
- To provide highly motivated and qualified graduates to meet the current and projected needs of the employers we serve

The goals of Empire Beauty School are simple. We want to teach students the best possible salon-centric education and techniques for becoming successful in the cosmetology profession.

For more than 80 years, Empire Beauty School has been providing quality cosmetology education for future professionals. In 1935, the first Empire Beauty School opened in Wilkes-Barre, PA, growing to more than 20 schools in Pennsylvania within a few years.

In 2000, Empire Beauty School acquired Capelli Learning Center in Atlanta, GA. Finding the market to be a good match with Empire Beauty School's philosophies, the company now operates 6 schools in Georgia. That same year Gordon Phillips Schools of Beauty Culture was acquired, giving Empire Beauty School an expanded presence on the East Coast with additional schools in Pennsylvania, Maryland, and Southern New Jersey.

Over the next 10 years, Empire Beauty School expanded through acquisitions, partnerships, and new location development. Today there are Empire Beauty Schools in 21 states.

All of Empire Beauty Schools have tastefully decorated interiors, spacious classrooms, and modern equipment. The Student Salon area of each facility is designed so that students acquire practical experience through servicing guests with a complete menu of hair, skin, and nail services. All services are performed by senior-level supervised students.

Each school houses a library of continuing education aids, which include copies of textbooks, periodicals, DVD's, and other reference materials that support the education process. Students receive an education kit, containing equipment designed for use throughout their program. Classes covering hair, skin, nails, and makeup techniques as well as career readiness, sales, and marketing seminars are incorporated into the curriculum. Top professional educators, hair designers and manufacturers' technical representatives offer demonstration seminars and workshops for our students to keep current with the newest products, equipment, and design trends in the fashion-forward beauty industry.

Empire Beauty School includes demonstration and lecture classrooms, a library, a fully equipped Student Salon floor, Student lounge, dispensary, and faculty and administration offices to assist Students in becoming quality professionals capable of meeting the demands of the salon and spa industry. All Empire Beauty Schools meet or exceed the requirements established by our state licensing authorities.

FINANCIAL ASSISTANCE

There are three types of federal Student aid, known as Title IV Funding, available to Students who qualify:

1.) FEDERAL PELL GRANT (PELL)

Pell grants are awarded by the Department of Education to undergraduate students with financial need to help pay for college. The Pell Grant, unlike loans, does not need to be repaid (unless, for example, you withdraw from school and owe a refund). The amount of the Pell grant could change yearly and depends on your Expected Family Contribution (EFC), the cost of attendance, your status of full-time or part-time, and whether you attend for a full academic year or less.

2.) FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG) & EMPIRE BEAUTY SCHOOL FSEOG MATCH

These types of grants are awarded to undergraduate Students with exceptional financial need – those with the lowest Expected Family Contribution (EFC). The amount of the award will be determined by the school's Financial Assistance Office.

3.) WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

Student loans, unlike grants, are borrowed funds that must be repaid with interest. Loans made through this program are referred to as Direct Loans. Eligible Students and parents borrow directly from the U.S. Department of Education.

There are three types of loans in the program:

- **Subsidized Stafford Loan** – A Student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department of Education pays the interest while you're in school at least half-time and during the grace period. The amount of the loan cannot exceed a Student's financial need or the annual loan limit. The fixed interest rate for 2024-2025 is 6.53%.
- **Unsubsidized Stafford Loan** – A Student can borrow this type of loan up to the annual loan limit to cover some or all of their school expenses. The U.S. Department of Education does not pay interest on unsubsidized loans. The Student is responsible for paying the interest that accrues on the loan from the time the loan is disbursed until it's paid in full.
The fixed interest rate of 6.53% can be paid while attending school, during a period of deferment or forbearance, or it can be accrued and the interest added to the principle amount of the loan.
- **PLUS Loans** – Parents of dependent Students can borrow from the PLUS Loan program. The terms and conditions of this type of loan include a requirement that the applicant has a favorable credit history, a repayment period that begins on the date of the last disbursement of the loan, and a fixed interest rate of 9.08%.

If a student has already satisfied the balance due the school through self-payments or other types of financial aid, and the scholarship creates a credit balance on the ledger, funds are disbursed to the student via a check. Funds can be applied by the student to the outstanding loan balance or reimburse the student for any self-payments. For any check issued to the student/graduate, the student is required to pick up the check at the school.

VETERANS' EDUCATION BENEFITS

Some Empire Beauty Schools are approved for veteran's educational benefits for veterans, eligible dependents of deceased or disabled

veterans, and active status National Guard and Reserve personnel. Any Student interested in this type of benefit must verify with the school representative that the school is approved by the State Approving Agency for Veterans' Educational Benefits.

Eligibility: Students who are eligible for VA benefits must provide the following in order to have their enrollment certified with VA and/or have their VA Educational Benefits included in their Financial Aid Package.

- Student's VA Certificate of Eligibility letter or equivalent
- Prior Training Acknowledgement & Request to Use VA Benefits Form - completed and signed

Delay of VA Disbursement to School: Due to a delay in disbursement funding from VA under Chapter 31 or 33,

- Empire Beauty School will:
 - Permit a VA eligible student to attend classes without a payment beginning on the date on which the student provides a VA Certificate of Eligibility (or equivalent) to Empire Beauty School and ending on the earlier of the following dates:
 - The date on which VA provides payment to Empire Beauty School for the course
 - The date that is 90 days after the date in which Empire Beauty School certifies the tuition and fees with VA.
- Empire Beauty School will not:
 - Impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities
 - Require a VA Eligible student to borrow additional funds because of the student's inability to meet their financial obligations to the school

If the student's financial obligation to the school is more than the expected VA funding, the expected Title IV funding, and any other expected funding, the gap balance will be broken up into monthly payments that the student will be required to pay to the school beginning 90 days after the start date.

Prior Credit Policy: Prior Credit Policy: Per 38 CFR 21.4253(d)(3), students who will be receiving Veterans Educational Benefits are to provide all previous educational, vocational, and military transcripts to Empire Beauty School. Empire Beauty School will retain and evaluate the transcripts and apply appropriate credit for previous education and training, with the training period shortened proportionately.

Refund Policy for Veterans - G.I. Bill ® beneficiaries are entitled to a refund in the event of a withdrawal or discontinuance under the provisions of Title 38 U.S. Code:

Students whose tuition and fees are paid in whole or part by Veterans' Administration funding, and who withdraw before the end of the program, will be refunded on a daily pro rata basis. Total tuition and fees for the program will be divided by the number of days in the program to determine a daily rate. The amount of refund will be determined by multiplying the daily rate by the number of days remaining in the program, starting with the first day after withdrawal.

The maximum non-refundable registration fee allowed by the VA is \$10.00. Refunds will be made promptly, i.e., within 40 days. Students do not have to request the refund. This pro-rata refund policy applies to VA students only.

NOTE: In order for a Student to continue financial assistance eligibility (including Veterans Educational Benefits), a Student must not be in unsatisfactory progress. (Refer to the Satisfactory Academic Progress Policy). Any Student not maintaining satisfactory academic progress will be ineligible to receive future disbursements of financial assistance. In order for the Student to have financial assistance reinstated, the Student's financial assistance and Empire Beauty School account, along with the maximum time frame, will be evaluated to determine the Student's ability to complete the program within the recommended scheduled allotments. When the Student has met both the academic and attendance requirements, the Student will be removed from the Unsatisfactory Progress status and financial assistance eligibility will be reinstated for the remaining period of time in the program. A Student must complete the program of study in a period of time not to exceed those outlined in the schedules on page 10 or maximum time frame. School holidays will not be considered in the calculation of cumulative attendance. Course incompletes and noncredit remedial courses have no effect on satisfactory progress standards.

Institutions that enter into an agreement with a potential Student, an enrolled Student, or parent of a Student regarding a Title IV Loan are required to inform the Student or parent that the loan will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders, and institutions determined to be authorized users of the data system.

STUDENT RIGHTS AND RESPONSIBILITIES

You have the right to apply for aid to cover the school's expenses, including tuition and fees, books and supplies, room and board and transportation. Aid can also pay for dependent care. Make sure the financial aid office staff has all the information needed to determine your eligibility. If you're eligible, the aid office will send you an award letter outlining the amount and types of aid the school will offer you. Before the school makes your first loan disbursement, you will receive the following information about your loan:

- The full amount of the loan and the interest rate
- The date you must start repayment
- A list of any charge you must pay (loan fees) and information on how those charges are collected
- Information on the yearly and total amounts you may borrow

- Information about the maximum repayment periods and the minimum repayment amount
- An explanation of default and its consequences
- An explanation of available options for consolidating your loans and a statement that you can repay your loan(s) without penalty at any time

Loans, unlike grants, are borrowed money that must be repaid, with interest. You cannot have these loans cancelled because you didn't like the education you received or because you are having financial difficulty. These loans are a serious obligation.

You will be notified in writing whenever any funds are credited to your account. You may cancel all or a portion of your loan if you inform your school within 14 days after the day your school sends you this notice, or by the first day of the payment period.

Your parent (for dependent students) may apply for a Parent Plus Loan for Students. They have to pass a credit check. If they don't pass, they might still be able to receive a loan if they can demonstrate that extenuating circumstances exist, or if someone they know, who can pass, agrees to endorse the loan and promises to repay it if your parents don't.

STAFFING

The schools have a designated group of Financial Assistance Advisors assigned to each school and/or at the Home Office of Financial Assistance available to meet or speak with each student to assist them with the aid process. All applications are supplied to the student at the school and are forwarded to the Home Office for processing. During the application and packaging process, the student speaks directly with the Financial Assistance Specialist in the Home Office to determine their aid eligibility.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

Satisfactory Academic Progress (SAP) is required for all enrolled Students. All students are provided with access to the catalog and SAP policy prior to enrollment.

REQUIREMENTS

In order to meet SAP, students must meet the following:

Academic Requirement - 75% Cumulative Grade Average || **Attendance Requirement** - 75% Cumulative Attendance Average

School holidays are not considered in the calculation of cumulative attendance. Course incompletes and noncredit remedial courses are not applicable and have no effect on SAP standards. Clock hours or credits accepted from another institution toward the student's educational program are counted as attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on contracted hours.

Students meeting the minimum requirement at any evaluation are considered to be making SAP until the next scheduled evaluation.

Students who do not meet academic requirements or attendance requirements as of the evaluation may lose eligibility for financial aid from Title IV program funds, and may be subject to termination from the program.

GRADING PROCEDURE

Students receive a number of theory and practical assessments during each module. Evaluation, feedback and grades are given to the student for each assessment. Work is graded using the following grading scale:

A – 100-93 || B – 92-85 || C – 84-75 || D – 74-70 || F – Below 70

In case of a failure (F-Below 70), the Student will have the option to retake the assessment up to two times. The first passing grade will be recorded. The Enrichments are evaluated on a Pass or Not Passed basis. Satisfactory completion is needed in the following areas: General Safety and Technical Skills.

EVALUATIONS

Evaluations will determine if the student has met the minimum requirements for SAP. The frequency of evaluations ensures that students have had at least one evaluation by the scheduled midpoint of the program.

An academic year consists of 900 clock hours over a period of not less than 26 weeks. All evaluations will be completed within seven (7) school business days following each established evaluation period.

SAP is evaluated based on scheduled hours at the following intervals:

Hairdressing / Cosmetology 1000 hours	HOURS	FULL-TIME WEEKS	PART-TIME WEEKS
Payment Period 1	450	13	26
Payment Period 2	900	26	52

Students will be provided written notice of their SAP standing at the time of evaluation. Copies of evaluations and appeal results will be kept in the Student's file. Students that withdraw and re-enroll will return under the same SAP status as when they left, regardless of how long they have been out. For students that re-enroll more than 180 days after their last date of attendance, evaluation periods will be determined based on the new contracted hours. To be considered making SAP or to re-establish SAP the student must meet both the cumulative Academic and Attendance requirements of 75%. If there is any additional information like a grade change or attendance correction that may have an impact on SAP, the institution will recheck SAP using the new information.

At the time of evaluation a student will be in one of three statuses:

1. **Satisfactory** – Requires no action by student or school. Maintains status until next evaluation.
2. **Warning** – Not meeting Satisfactory Academic Progress Standards. Requires no action by the student, aid eligibility is retained until next evaluation.
3. **Unsatisfactory** – Student has the right to appeal but must do so in writing. If appeal is granted student will be put on Probation until next evaluation period and is eligible for aid. If appeal is denied or student does not file a written appeal student shall be terminated.

WARNING AND UNSATISFACTORY STATUS

Students who fail to meet SAP at the end of a payment period are automatically placed on Warning Status.

Students may continue to receive Title IV assistance for one payment period while on Warning status. If the Student does not achieve SAP by the end of the Warning Status, the Student will be placed on Unsatisfactory Status, and eligibility, if applicable for Title IV program funds, will cease.

A Student has the right to appeal an Unsatisfactory Status. Providing that the following conditions are met, a Student may be placed on probation and allowed to receive Title IV funds for the subsequent payment period:

- a. Any Student seeking an appeal must do so in writing. Students that do not appeal shall be terminated.
- b. The institution must determine that the Student should be able to meet the institution's SAP requirements at the end of that payment period.
- c. The Student must have a basis to file an appeal. Acceptable reasons might include the death of a relative, an injury or illness of the Student, or other special circumstances. The Student must document what caused the failure to meet the standards and must also explain what has changed in their situation that will allow them to demonstrate SAP at the end of the next payment period. The Student must submit all information relating to the appeal in writing within 10 school business days of being notified of being put on Unsatisfactory Status. If the appeal is granted, the Student will remain eligible for Title IV funds during the Probation period.
- d. If the Student meets the SAP requirements at the end of the probation period, the Student will be removed from probation and will be considered making SAP. If the Student does not meet SAP requirements by the end of the probation period, they will be considered not making SAP and where applicable will lose eligibility for Title IV. The Student shall also be terminated from the program.

A Student seeking reinstatement after termination caused by not meeting SAP or official interruption must first meet with the School Executive Director. The Executive Director will determine if the Student is eligible to re-enroll. If a Student applies for reinstatement, he/she must document the ability to successfully complete the program and certify that the causes of previous difficulties have been rectified. Students who ceased attendance while not making SAP will return as not making SAP. They will be allowed to continue their education but where applicable, are not eligible for Title IV program funds unless they are able to re-establish SAP during a specified period of time.

MAXIMUM TIME FRAME

Maximum time frame for Students is 133% of the Enrollment Period. If, due to attendance or academic problems, a Student must attend additional Program hours beyond the 133% Maximum Program Length in order to complete the Program, the Student's Enrollment Agreement will terminate. The Student may be permitted to complete the program on a cash-pay basis by submitting a request for re-enrollment.

Prior to withdrawal, and at the school's discretion, students may be afforded no more than thirty days to make up assignments or instructional hours to achieve a Satisfactory academic standing.

NOTE: In addition to the requirements for NY Academic Standing, students are also required to maintain overall Standards of Satisfactory Academic Progress (SAP) to maintain eligibility for Federal Financial Assistance from Title IV funds. Those Standards require a cumulative rate of attendance of 75% (regardless of attendance during a marking period), and a cumulative grade average of 75% at the end of each evaluation cycle. A full description can be found in Satisfactory Academic Progress (SAP) Policy.

RECORD RETENTION POLICY

The student's entire record shall be maintained for at least 7 years on-site after a student either terminates training or graduates. After that, the school will maintain the following student records for 20 years off site:

- Evidence of compliance with the school's admissions requirements
- Credit granted for previous experience or training
- Dates of admission start dates and withdrawal or completion dates
- Reasons for withdrawals when known
- Daily attendance
- Tuition and financial aid records, when applicable

WITHDRAWAL POLICY

A Student will be considered as withdrawn when one of the following occurs:

1. The student must "officially" notify the Executive Director, in writing of his/her intent to withdraw.
2. A formal termination (unofficial withdrawal) by the student shall occur no more than 14 consecutive calendar days from the last day of physical attendance.
3. The School officially notifies the Student of dismissal from the course.

RETURN OF TITLE IV FUNDS AND REFUND POLICY

The law specifies how Empire Beauty School must determine the amount of Title IV Program Funds that you can earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Stafford Loans, Plus Loans and Federal Supplemental Educational Opportunity Grants (FSEOGs).

When you withdraw during a payment period, if the amount of Title IV program funds that you have earned up to that point received on your behalf, less assistance, is less than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the school must return the excess funds.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period, you earned 30% of assistance that you were originally scheduled to receive. Once you have completed more than 60% of the payment period, you earn all the assistance that you were scheduled to receive.

If you are due a post withdrawal disbursement, you may choose to decline the loan funds so that you do not incur additional loan debt. Empire Beauty School may automatically use all or a portion of your post withdrawal disbursement (including loan funds, if you accept them) for tuition and fees. If you allow the school to keep the loan funds it will reduce your debt to the school.

REFUND OF TITLE IV FUNDS AND REFUND POLICY REFUND CLAUSE

If a student cancels their enrollment within seven days after midnight of the day on which the enrollment agreement was signed, all monies collected by the school shall be refunded. This cancellation will be determined by the postmark, written notification or day said information is delivered or phoned to the school administrator or owner in person. If cancellation or termination of enrollment occurs after seven business days, but prior to or during the first week of instruction, the student is entitled to a refund of tuition, but will be charged the \$100.00 Registration Fee plus the cost of textbooks and supplies accepted (inclusive of applicable sales tax) unless all items are returned in new/unopened condition.

If a student withdraws or is discontinued after completion of the first week of instruction they will be charged for the following:

- A. Applicants not accepted by the school shall be entitled to a refund of all monies paid.
- B. Thereafter, a student will be liable for:
 1. the non-refundable Registration Fee, plus
 2. the cost of any textbooks or supplies accepted (inclusive of applicable sales tax), plus
 3. tuition liability as of the student's last date of physical attendance. tuition liability is divided by the number of quarters/ terms in the program. Total Tuition liability is limited to the quarter/term during which the student withdrew or was terminated, and any previous quarters/terms completed.

The failure of a student to notify the director in writing of withdrawal may delay refund of tuition due pursuant to section 5002 (3) of the Education Law.

- C.** Except that the hourly rate as per the student contract shall be substituted for such hours that have been made up beyond the stated program length.
- D.** Enrollment time is defined as the time elapsed between the actual starting date and the date of the student's last day of physical attendance in the school. Any refunds due the applicant or student should be refunded within 30 days of formal cancellation by the student. Unofficial withdrawals shall occur when the institution determines that the student has been absent 14 consecutive days from the last date of physical attendance. Any refunds due the student who unofficially withdraws shall be made within 30 days of determination by the institution that the student has unofficially withdrawn without notifying the institution. Attendance is normally monitored daily.
- E.** If a school permanently closed and no longer offered instruction after a student enrolled, the student shall be entitled to a full refund of tuition.
- F.** If a course is cancelled subsequent to a student's enrollment, the school shall provide a full refund of all monies paid.
- G.** Prior to calculating a refund, Title IV recipients who have not completed more than 60% of the payment period or period of enrollment, as per Federal regulations, will be subject to the provisions of the Return of Title IV. For specific information contact the school's Financial Aid Administrator.

A student's tuition liability to the school will be calculated in accordance with the state refund clause stated above.

Because of other eligibility requirements, there may be Title IV program funds that you were scheduled to receive which are not available once you withdraw. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you are not eligible for Direct Stafford Loan Funds that you may have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return the portion of excess equal to the lesser of

1. Your institutional charges multiplied by the unearned percentage of your fund, or
2. The entire amount of excess funds.

The school must return this amount even if it didn't keep this amount of your Title IV program funds.

If the school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The amount of a grant overpayment that you must repay is half of the unearned amount. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirement for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Empire Beauty School may also charge you for any Title IV program funds that the school was required to return. Empire Beauty School's refund policy is also printed on your enrollment agreement. Also printed in this catalog are the requirements and procedures for officially withdrawing from school.

If you have any questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID.

The center accepts calls from 8 a.m. to midnight (EST), seven days a week. TTY users may call 1-800-730-8913. Information is also available on the U.S. Department of Education's "Financial Aid for Student's Home Page" at www.studentaid.ed.gov

TUITION REIMBURSEMENT FUND

The Tuition Reimbursement Fund is designed to protect the financial interest of students attending proprietary schools. If a school closes while you are in attendance prior to the completion of your educational program, then you may be eligible for a refund of all tuition expenses which you have paid. If you drop out of school prior to completion and you file a complaint against the school with the State Education Department, you may be eligible to receive a tuition refund if the State Education Department is able to provide factual support that your complaint is valid and to determine that there was a violation of Education Law or the Commissioner's Regulations. To file a complaint, either write the New York State Education Department - Bureau of Proprietary School Supervision, 116 West 32nd Street, 5th Floor, New York, NY 10001 or telephone (212) 643-4760. The New York State Education Department's staff will assist you in the preparation of a tuition reimbursement form (a sample of which should have been provided to you upon enrollment).

FAMILY EDUCATION RIGHT TO PRIVACY ACT POLICY (FERPA)

In accordance with the Family Education Rights and Privacy Act, it is the policy of Empire Beauty School (the "School") to maintain confidentiality of information entrusted to it by eligible Students, Prospective Students or Parent / Guardian(s) of a dependent minor child. Therefore, prior to release of information a "Student Authorization to Release Educational Records" form must be filled out by the eligible Student for every request of Student information to a third party. Information is released only on the condition that the party to whom the information is disclosed will not disclose the information to any other party without the prior consent of the eligible Student or Parent/Guardian. A "Student Authorization to Release Educational Records" form is not required for Students, Prospective Students, or Guardian(s) of dependent minor Students wishing to review their own records or for legal or accreditation purposes.

School staff members and administrators who the School deems to have a "legitimate educational interest" have access to Students' information as required to perform duties that are specific to their position. Section 99.37 of FERPA permits the School to disclose, upon request, directory information without the Student's consent unless the Student has otherwise directed the School in writing. Directory information may include Student's name, address, telephone number, date and place of birth, field of study, dates of attendance (meaning a period of time during which a Student attended and not specific daily records of a Student's attendance) and degrees/awards received. FERPA also permits release of personally identifiable, non- directory information in connection with a health or safety emergency that presents imminent danger. In this situation, the School will make the determination to release information based on the totality of the circumstances pertaining to a threat to the health or safety of a Student or other individuals. If the School determines that there is an articulable and significant threat to the health or safety of a Student or other individuals, the School will disclose information to any person whose knowledge of the information is necessary to protect the health or safety of the Student or other individuals. Student or parent/guardian complaints regarding alleged FERPA violations can be filed in writing with the U.S Department of Education's Family Policy Compliance Office.

A Student or parent/guardian of dependent minor Students may review the Student's record by contacting the Executive Director to make an appointment. The Executive Director will be present during the review to provide supervision and interpretation. A Student shall be permitted to review his/her record on file with the School within seven (7) days after the School has received the Student's written request to review his/her records in accordance with the manner set forth in this Catalog or any Supplement to this Catalog. An eligible Student or parent /guardian of a dependent minor Student may seek to amend education records that the Student or parent/guardian believes to be inaccurate, misleading, or otherwise in violation of the Student's privacy rights. The School will make a determination on the Student's request for amendment within 30 days of the request. If the School agrees that the information is inaccurate, misleading or otherwise in violation of the privacy rights of the Student, the School will amend the record accordingly and inform the parent or eligible Student in writing that the record was amended. If the School decides not to amend the record, the Student has a right to a hearing within 30 days of the denial. The School will notify the parent or eligible Student of the time, date and place of the hearing. The decision of the hearing will be sent to the parent or eligible Student in writing and will be based solely on the evidence presented in the hearing. If the decision not to amend the record is determined, the parent or eligible Student has the right to place a statement in the Student's file contesting the information in the record.

Schools are required to give this disclosure pamphlet to individuals interested in enrolling in their school.

What is the purpose of this pamphlet?

All prospective and enrolled students in a non-degree granting proprietary school are required to receive this pamphlet. This pamphlet provides an overview of students' rights with regard to filing a complaint against a school and accessing the tuition reimbursement fund if they are a victim of certain violations by the school.

Licensed private career schools which are licensed by the New York State Education Department are required to meet very specific standards under the Education Law and Commissioner's Regulations. These standards are designed to help insure the educational appropriateness of the programs which schools offer. It is important for you to realize that the New York State Education Department's Bureau of Proprietary School Supervision closely monitors and regulates all non-degree granting proprietary schools. The schools are required to have their teachers meet standards in order to be licensed by the Department. Schools are also required to have their curriculum approved by the New York State Education Department, at minimum, every four years, thereby helping to insure that all curriculum offered in the schools are educationally sound.

In addition, staff members of the Bureau of Proprietary School Supervision are often in the school buildings monitoring the educational programs being offered. The interest of the New York State Education Department is to ensure that the educational

program being offered meets your needs and that your financial investment is protected.

The New York State Education Department's Bureau of Proprietary School Supervision wishes you success in your continued efforts to obtain the necessary skill training in order to secure meaningful employment. In addition, Bureau staff will continue to work with all the schools to help insure that a quality educational program is provided to you.

Who can file a complaint?

If you are or were a student or an employee of a Licensed Private Career School in the State of New York and you believe that the school or anyone representing the school has acted unlawfully, you have the right to file a complaint with the New York State Education Department.

What can a student or employee complain about?

You may make complaints about the conduct of the school, advertising, standards and methods of instruction, equipment, facilities, qualifications of teaching and management personnel, enrollment agreement, methods of collecting tuition and other charges, school license or registration, school and student records, and private school agents.

How can a complaint be filed by a student or employee?

You should try to resolve your complaint directly with the school unless you believe that the school would penalize you for your complaint. Use the school's internal grievance procedure or discuss your problems with teachers, department heads, or the school director. We suggest that you do so in writing and that you keep copies of all correspondence to the school. However, the school cannot require you to do this before you file a complaint with the New York State Education Department. If you do file a complaint with the Department, please advise the Bureau of any action that you have taken to attempt to resolve your complaint.

The steps you must take to file a complaint with the New York State Education Department are:

1. Write to the New York State Education Department at 116 West 32nd Street, 5th Floor, New York, New York 10001, or telephone the Department at (212) 643-4760, requesting an interview for the purpose of filing a written complaint. Bring all relevant documents with you to the interview, including an enrollment agreement, financial aid application, transcripts, etc. An investigator from the Department will meet with you and go through your complaint in detail.
2. If you cannot come for an interview, send a letter or call the office to request a complaint form. You must complete and sign this form and mail it to the office. Please include with it copies of all relevant documents. You should keep the originals. You must file a complaint within two

years after the alleged illegal conduct took place. The Bureau cannot investigate any complaint made more than two years after the date of the occurrence.

3. The investigator will attempt to resolve the complaint as quickly as possible and may contact you in the future with follow-up questions. You should provide all information requested as quickly as possible; delay may affect the investigation of your complaint. When appropriate, the investigator will try to negotiate with the school informally. If the Department determines that violations of law have been committed and the school fails to take satisfactory and appropriate action then the Department may proceed with formal disciplinary charges.

What is the Tuition Reimbursement Fund?

The Tuition Reimbursement Fund is designed to protect the financial interest of students attending non-degree proprietary schools. If a school closes while you are in attendance, prior to the completion of your educational program, then you may be eligible for a refund of all tuition expenses which you have paid. If you drop out of school prior to completion and you file a complaint against the school with the State Education Department, you may be eligible to receive a tuition refund if the State Education Department is able to provide factual support that your complaint is valid and to determine that there was a violation of Education Law or the Commissioner's Regulations as specified in Section 126.17 of the Commissioner's Regulations. To file a claim to the Tuition Reimbursement Fund, you must first file a complaint with the State

Education Department at the address included in this pamphlet. The staff of the State Education Department will assist you in the preparation of a tuition reimbursement form (a sample of this form should have been provided to you upon enrollment).

What is the tuition refund and cancellation policy?

All schools must have a tuition refund and cancellation policy for each program included in the catalog and in the student enrollment agreement.

Read and understand the school's policy regarding tuition refund and cancellation before you sign the enrollment agreement. If you do not understand it, or are confused by the school's explanation, get help before you sign. You may ask for assistance from the Department at the address included in this pamphlet.

What should students know about "private school agents"?

Private School Agents are employed by schools for the purpose of recruiting or enrolling students in the school; they are not school counselors. Private school agents cannot require a student to pay a placement or referral fee. Each school agent must be licensed by the New York State Education Department, must have an Agent identification card and must be a salaried employee of the school. School agents who cannot show an Agent Identification Card are breaking the law if they try to interest students in enrolling in a particular school or group of schools. The name(s) of the agent(s) who enrolled a student must appear on that student's enrollment agreement. Therefore, you should write down the name of the agent who talked to you. Each student will be required to confirm the name(s) of

the agent(s) when signing the enrollment agreement. A full refund shall be made to any student recruited by an unlicensed private school agent or even by a licensed agent if there is evidence that the agent made fraudulent or improper claims. To find out if you are eligible to receive a refund, you must follow the complaint procedures included in this page.

What should students know about "grants and guaranteed student loans"?

A grant is awarded to a student based on income eligibility, and it does not need to be repaid (for example, New York State Tuition Assistance Program (TAP) grants or Pell grants provided by the federal government).

Guaranteed student loans are low interest loans provided under the Federal Guaranteed Student Loan Program. The decision to apply for such a loan is yours--the school cannot require that you apply for a loan. You should understand that if you pay school tuition with money loaned to you from a lender you are responsible for repaying the loan in full, with interest, in accordance with the terms of the loan agreement. A failure to repay the loan can hurt your credit rating and result in legal action against you. Even if you fail to complete your educational program, you are still responsible for repaying all of the money loaned to you.

It is your right to select a lender for a guaranteed student loan. The school cannot require you to apply to a particular lender or lending institution. However, the school can recommend a lender, but if it does, the school must also provide you with a statement about your right and ability to obtain a loan from another lender and the interest charged on these loans.

Read and understand all the information and applications for financial aid grants and loans before signing.

Where can students file a complaint, file a claim to the tuition reimbursement fund, or get additional information?
